# ABOUT US

At Tredmig Training Centre, we are dedicated to teaching languages with a special focus on Japanese, Bulgarian, Korean, and IELTS preparation. Our mission is to provide high-quality language education at affordable costs for students, ensuring compliance with the laws and regulations of both their home country and the country of study.

## **Our Commitment**

Along with language instruction, we arrange scholarships and internships to enhance skill development, providing students valuable experience to apply their knowledge in real-world settings.

## **Our Goals**

Our aim is to equip students with the skills and confidence needed to thrive in a competitive job market. We focus on making each student employable and prepared to stand out to future employers.

If you're seeking quality education at highly ranked universities, we are your top choice.
